

Yearbook is now accepting reservations for senior dedications and senior ads for the 2017/18 yearbook. If you are interested in providing your senior student or friends with a personal, lasting dedication or ad, please complete the form below and return it with payment to Mrs. Roderick at the high school. This is your opportunity to express your love, pride or friendship for a graduating senior. At your request, no senior will be allowed to view any dedication or ad once it is in the yearbook staff's possession. If you would like your dedication to be a surprise, they won't find out from us!

What is the difference between a dedication and an ad?

The ad is a tribute with words and pictures you design yourself and submit. It can be from ¼ page to a full page. Dedications are a more affordable option. You submit one photo and up to a 50 word message to your senior. The yearbook staff will design all dedications, eight to a page. Dedications are limited to one per senior. Ads are designed by family, please be aware ads are limited. If you would like for a yearbook staff member to design your page you must have all picture submitted by November 6th, 2017. A payment of \$25.00 will need to be made directly to the yearbook staff member prior to the page design.
